Algiers makes energy storage containers

Overview

Why are Algeria and Italy collaborating on a submarine electricity cable project?

In a move to strengthen energy ties with Europe, Algeria and Italy are collaborating on a submarine electricity cable project. This cable will facilitate the export of electricity generated from both natural gas and renewable energy sources in Algeria.

What are Algeria's key energy projects in 2025?

Algeria is advancing several key energy projects in 2025, aimed at increasing natural gas production, expanding electricity generation and enhancing renewable energy capacity.

How will natural gas boost Algeria's energy exports to Europe?

These developments – spanning natural gas, electricity and renewable energy – will enhance Algeria's energy exports to Europe and expand its domestic capacity. Hassi R'Mel Gas Boosting Project The Hassi R'Mel gas field, one of the largest in the world, is central to a \$2.3 billion project designed to optimize gas flow efficiency to Europe.

How much natural gas did Algeria export in 2023?

According to the Energy Institute's 2024 Statistical Review of World Energy, Algeria exported about 1.9 Tcf of natural gas in 2023, most of which went to Europe. About 672 Bcf of natural gas was exported as LNG, and the remaining 1.2 Tcf was shipped via pipeline (Figure 13).²¹

Does Algeria have enough electricity?

Algeria has enough electricity supply to meet its domestic consumption, given its substantial natural gas reserves and the predominant use of natural gas in power generation. Algeria's electricity exports are limited by its electric transmission capacity.

How many MW does Algeria's new power plant generate?

Both plants, being developed by Algeria's state-owned Sonelgaz, will each generate 1,340 MW. Both projects are expected to start operations in 2025 and are expected to enhance Algeria's power generation infrastructure while supporting energy security and fuelling the country's economic growth.

Algiers makes energy storage containers

Algiers Port: Container Docks Reopen - Boost for Trade
