How good is smartsolarcyprus?

1.6 kWp Smart Plug and Play Photovoltaic System for Yiannis!

"Smartsolarcyprus delivered outstanding service. It was clear from their efficiency and attention to detail that they are from Germany. Remarkably, it was even cleaner after the installation than it was before.

What is a solar inverter?

A Solar inverter or PV inverter is the most critical electrical component in a photovoltaic system. It converts the DC output of the solar panel into an alternating current that can be fed into the commercial electrical grid or used by a local, off-grid electrical network.
