Berne AC Uninterruptible Power Supply

48V 100Ah

Overview

What is an uninterruptible power supply (UPS)?

The uninterruptible power supply (UPS) for sensitive or safety-related 24VDC systems supplied from the AC mains is particularly important in the event of blackouts, voltage fluctuations or flicker. In an emergency, it is important to avoid dangerous system failures, loss of productivity or data.

Why should Singapore implement an uninterruptible power supply (UPS) system?

This transition allows traffic control and telecommunications systems to continue functioning at optimal levels without interruption. For sectors in Singapore that rely heavily on uninterrupted power, such as data centres, healthcare facilities, and government operations, implementing a robust uninterruptible power supply (UPS) system is crucial.

Why do we need uninterruptible power supplies?

However, during transmission and distribution, it is subject to voltage sags, spikes and outages that can disrupt computer operations, cause data loss and damage equipment. The uninterruptible power supplies protect the connected equipment from power problems and provide battery backup during power outages.

Does Rs deliver uninterruptible power supply systems in Singapore?

RS offers fast delivery of Uninterruptible Power Supply Systems within Singapore. Next-working-day delivery is available for online orders placed Monday to Friday before 3:30 pm, if items are in stock.

What makes ups a reliable buffering system?

Reliable buffering is provided by the integrated and particularly safe 10-year battery storage with LiFePO4 technology and high-performance BMS. Thus, our all-in-one UPS solutions contribute to increasing the long-term availability

and reliability of plants and machines.

Berne AC Uninterruptible Power Supply

Uninterruptible Power Supplies (UPS) , CABAC Australia

Explore our huge range of Uninterruptible Power Supplies (UPS) for computers, security systems, home office, gates, doors, industrial applications, medical equipment and more.
