Cape Town Wind and Solar Storage

Overview

What is solar & storage live Cape Town?

REGISTER NOW Solar & Storage Live Cape Town offers you a unique opportunity to connect with a large and exceptionally senior audience. It provides meeting spaces, networking opportunities as well as sponsorship/exhibition opportunities to meet your companies specific marketing and business development needs.

What is solar & storage live?

Solar & Storage Live is Cape Town's largest renewable energy exhibition that celebrates the technologies at the forefront of the transition to a greener, smarter, more decentralised energy system. Industry leaders come together to share their expertise on key topics in the field across 2 action-packed days.

Why should you attend a solar & energy storage exhibition?

The free-to-attend exhibition showcasing 100s global brands will feature the latest solar and energy storage products and solutions in the market. Exhibitors range from world-leading suppliers to innovative start-ups disrupting the industry. APPLY TO EXHIBIT We understand the value of a live event comes from the quality of networking opportunities.

Where is karreebosch wind farm located?

Karreebosch Wind Farm, located in the Karoo region of South Africa, will be the first private wind farm in the region and one of the largest. Karreebosch Wind Farm was developed by G7 Renewable Energies (Pty) Ltd, a South African project developer based in Cape Town and founded in 2008.
