China distribution switchgear in Burundi

Overview

What can China do with Burundi?

China is ready to strengthen experience sharing and cooperation in capacity building with Burundi in areas such as reform and development, rural revitalization and poverty alleviation, and promote mutually beneficial cooperation in the fields including infrastructure, agriculture, economy and trade, Xi said.

Will Xinhua China support Burundi's agricultural exports to China?

Xinhua China will accelerate the progress of major cooperation projects and support the early export of Burundi's agricultural products to China, Chinese President Xi Jinping said on Friday during a meeting with Burundian President Evariste Ndayishimiye in Chengdu, capital city of southwest China's Sichuan Province.

Does China support Burundi?

China firmly supports Burundi in upholding national independence, sovereignty and territorial integrity, and in pursuing an independent and self-reliant development path, Xi said. He said China encourages capable Chinese enterprises to invest in Burundi, and will help Burundi achieve food self-sufficiency and sustainable development.

Why is Burundi partnering with China?

The two countries also have a long history of cooperation in the health sector, and through this partnership Burundi has been able to bring in Chinese health professionals to treat patients with chronic diseases, as well as medical equipment critical to expanding health services.

Will China help Burundi switch from analog to digital broadcasting?

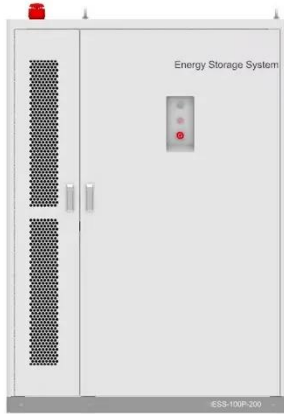

China's technical assistance also touches on digital communications, enabling Burundi to switch from analog to digital broadcasting as an important step in

the renovation of the country's digital platform.

Can China help Burundi achieve food self-sufficiency?

He said China encourages capable Chinese enterprises to invest in Burundi, and will help Burundi achieve food self-sufficiency and sustainable development. China is willing to work with Burundi to jointly contribute to peace and stability in Africa, Xi said.
