

SolarTech Power Solutions

High quality power switchgear in Singapore

Overview

Who is matrix switchgear design?

MATRIX Switchgear Design Pte Ltd is incorporated in Singapore in Year 2001 by a skilled team with more than 30 years of experience in the manufacturing of Low Voltage Modular Switchgear, Standard Switchboards, Switch Panels, Sheet Metal Enclosures and Metal Parts Fabrications.

Is the switchgear industry in Singapore safe?

When exploring the Switchgear industry in Singapore, several key considerations emerge. Regulatory compliance is paramount, as the country adheres to strict safety and performance standards set by the Energy Market Authority (EMA) and other governing bodies.

What is the warranty on switchgear panels & control panels?

Fully customisable switchgear panels and control panels of various configurations. Fabricated to suit end user's needs and fulfil local electrical codes standards. 12 months product warranty against manufacturer defects and component defects. Site servicing, repairs, parts replacement is available upon warranty expires.

What types of electrical switchgear do you provide?

We provide electrical switchgear ranging from main switchboard, emergency board, consumer unit distribution board, temporary supply board to Uninterruptible Power Supply (UPS) power board.

Who is rotary switchgear & testing?

Rotary Switchgear & Testing Pte. Ltd. - Rotary Switchgear & Testing Pte. Ltd. (RST) is a leading specialist in switchgear solutions, transformer services, and electrical testing for critical infrastructure and industrial facilities. Strategically located in Singapore.

Who is inter Power Engineering Pte Ltd?

Inter Power Engineering Pte Ltd is specialize in design, manufacture, installation and maintenance of wide range of electrical systems. © 2022 Inter Power Engineering Pte Ltd. All rights reserved.

High quality power switchgear in Singapore

S & S Electrical Services Pte.Ltd.

We supply and install high-quality electrical and mechanical equipment for both industrial and commercial buildings. Our expertise covers a wide range of equipment, ensuring that we meet ...

Inter Power Engineering Pte Ltd , Switchgear & Switchboard ...

Inter Power Engineering Pte Ltd has evolved by capitalizing on our technical innovations and know-how in the field to customized design products and position our self as a reputable panel ...

Singapore Air Insulated Switchgear Market 2026 , Market ...

Jul 25, 2025 · Segment Insights: The high-voltage (HV) switchgear segment dominates the Singapore market, driven by expanding power transmission infrastructure and the need for ...

Singapore Metal Encapsulated Switchgear Market Strategy ...

Jul 27, 2025 · Singapore Metal Encapsulated Switchgear Market size was valued at USD xx Billion in 2024 and is forecasted to grow at a CAGR of xx% from 2026 to 2033, reaching USD ...

M& I Electric Far East - IEC 61439 Switchboard - M& I

...

We supply high quality and cost effective custom-built low voltage electrical system such as switchboard, motor control center and distribution boards. We are Cubic Partner for IEC61439 ...

High-Tension and Low-Tension Switchboards Servicing

High-Tension and Low-Tension Switchboards Servicing is one of the comprehensive services provided at REE Electrical Engineering Pte Ltd. Our company is a leading service provider ...

Inter Power Engineering Pte Ltd , Switchgear & Switchboard ...

Fully customisable switchgear panels and control panels of various configurations. Fabricated to suit end user's needs and fulfil local electrical codes standards. 12 months product warranty ...

Singapore SF6 Insulation Switchgear Market Opportunity ...

Jul 25, 2025 · In Singapore, where high-quality switchgear is essential for resilient power systems, these supply chain challenges threaten project timelines and operational costs.
