Huawei Energy Storage Product Sales System

Overview

What services does Huawei provide?

Distribution products: In principle, Huawei provides direct services only for value-added partners (VAPs) and remote technical support and spare parts services for end customers (installers and owners) of VAPs. Huawei services are available in distribution scenarios to provide original manufacturer services for end customers.

What is Huawei fusion solar?

Huawei FusionSolar is committed to the strategic goal of reshaping the all-scenario grid forming standards. Huawei provides global customers and partners with fully grid-forming and high-quality smart PV+ESS solutions that go beyond expectations, accelerating the global energy transition and construction of new power systems.

Why did Huawei launch '4T' technology?

The launch propelled the renewable energy industry into the grid-forming era. Steven Zhou, President of Smart PV & ESS Product Line, Huawei Digital Power, announced the strategic goal of integrating "4T" technologies (bit, watt, heat, and battery) to build the energy infrastructure for new power systems.

Why should you choose Huawei's residential PV+ESS solution?

Huawei's residential PV+ESS solution, thanks to its strong technical capabilities, has become the choice for 3.9 million households and 30,000 installers worldwide. From a zero-carbon house in Italy to a PV town in Sweden, this solution is optimal for home energy independence and community energy sharing.

What is energy storage system products list?

Energy Storage System Products List covers all Smart String ESS products, including LUNA2000, STS-6000K, JUPITER-9000K, Management System and

other accessories product series.

Does Huawei offer onsite services?

If onsite services are needed, Huawei or its partners can provide paid onsite services. In principle, the extended warranty period must be consecutive with the original standard warranty. Quotation of the extended warranty = Quotation baseline x Number of devices. The following table lists the available standard extended warranty packages.
