Ottawa solar power system full set of battery manufacturers

Overview

Who is Ottawa solar power?

Since 1996, Ottawa Solar Power has been a leader in renewable energy for the National Capital Region, with over 1,000 installations spanning residential homes, businesses, and off-grid projects. As Eastern Ontario and Western Quebec's most experienced solar provider, we deliver reliable, tailored, and sustainable energy solutions for every need.

Who is AGM battery Canada?

AGM Battery Canada Ltd, established in 1989 in Ottawa, Ontario, is a leading Canadian importer and distributor of Rechargeable Storage Batteries and Energy Storage Systems.

Why should you choose a battery-only & off-grid Solar System?

Great range of battery-only and off-grid solar ensures your energy autonomy, providing a reliable, continuous power supply even during outages, no grid availability and a variety of grid-limited service availability while promoting sustainable energy use. Save on Energy with Us and Have Peace of Mind.

Can a battery be used in a home solar power system?

The battery is applied in home solar power system, it can be compatible with a lot of brand inverters such as Victron, Deye, Growatt, Goodwe, Luxpower, Sol-ark. This project is installed in Burkina Faso. It is applied in one hotel where there is no grid connection. The hotel was powered by generator which is noisy and the gasoline cost a lot.
