Outdoor containerized generator set

Overview

What is a containerized generator set?

The durable and robust Containerized Series generator sets are ideally suited for independent power producer (IPP), mining, oil and gas, or any project where harsh conditions, challenging environments and the demand for reliable, continuous remote power exist.

What is a containerised generator?

Our Containerised Generators deliver robust, high-capacity power from 300–3,000 kVA in secure, weather-resistant enclosures. Designed for challenging environments and critical applications, they offer noise reduction, easy transport, and bespoke configuration to meet your site's exact needs.

What is container type diesel generator set gencircle supply?

Container type Diesel Generator Set Gencircle supply container type generator set is design in accordance with ISO/TC104 standard size, rational construction, to make sure the generator set will not be damaged due to under high pressure in transport, and is suitable for ship transportation.

What size generator container do I Need?

Our generator containers for Type 2, 3, and 4 gas engines have a standard 40-foot length. Width and height depend on engine type, the application (power generation only or CHP) and ambient conditions. Customized sizes to accommodate special project requirements are available on request.

Which genset containers are available?

All genset containers are also available with an option for -40°C and most variants can be upgraded for $+45^{\circ}\text{C}$. A broad range of options, both mechanical and electrical, are available to ensure that our containers meet the project requirements. For example, we offer several heat recovery configurations and exhaust after treatment systems.

What are the different types of container generators?

We can supply the 20' container, 40' container, and widen or heighten container type. They are divided into the normal type and silent type. This series generator set can be easily moved to the desired location, can run under the most demanding working conditions.

Outdoor containerized generator set

Cat Enclosures , Cat , Caterpillar

2 days ago · From standard ISO containers to acoustic generator enclosures, our experienced Caterpillar engineers will work with you to design a custom, assembled enclosure for your ...

Containerized Series Generator Set

Oct 3, 2018 · The Containerized Series generator sets are designed for harsh weather and strict acoustical standards, utilizing a standard 40' high cube container equipped with an array of ...

Containerized diesel generators: QEC range brochure

6 days ago · The Atlas Copco QEC generators packs a punch, up to 1 megawatt of containerized power that can be easily transported from one worksite to the next. Supremely reliable, it is the ...

Generator Zone2 , wilitec

Nov 15, 2024 · A wide range of generator ATEX Zone 2 and certified DNVGL-ST-E2.7-1 / EN ISO 10855:2018, from a portable 10KVA up to 450KVA can be manufactured. Our containerized ...

Containerized Generator - Fujian Yineng Generator Co., Ltd

Manufacture and design gen-set's container according to ISO container standards, gen-sets below 1250kva adopt 20ft container and above 1250kva adopt 40'ft container. Container with ...

High-Performance Containerised Generator Sets: Mobile ...

A containerised generator set represents a comprehensive power solution that combines reliability, mobility, and advanced engineering in a single, self-contained unit. These systems ...

Containerized Generator Set-Yangzhou Shuntong

Power ...

The Containerized Generator Set is a robust and versatile power solution designed for outdoor applications, ensuring reliable energy supply in various demanding environments such as ...

What is Top Quality Parallel Operation Cost-Effective Outdoor

What is Top Quality Parallel Operation Cost-Effective Outdoor Containerized Generator Set, Onsite Product Video manufacturers & suppliers on Video Channel of Made-in-China .

◆ PRODUCT INFORMATION ◆

-  BATTERY CAPACITY
50kWh~500kWh
-  DC VOLTAGE RANGE
400V~1000V
-  DEGREE OF PROTECTION
IP54
-  OPERATING TEMPERATURE RANGE
-10~50°C

200kVA Containerized Diesel Generator Set with Built-in Fuel ...

Jun 18, 2025 · We specialize in the development and production of diesel, natural gas, methanol engines, components, generator sets, water pump units, lighting units, methanol new energy ...

Top Quality Parallel

Operation Cost-Effective Outdoor Containerized

Jul 16, 2025 · Top Quality Parallel Operation Cost-Effective Outdoor Containerized Generator Set, Find Details and Price about Gas Generator Biogas Plant from Top Quality Parallel Operation ...

1000kW Container Generator Set, Cummins KTAA38-G9A, ...

Jul 27, 2025 · The Outdoor Diesel Generator Set Manufacturer offers a robust and low-noise power solution with a container-type design. It features the Cummins KTAA38-G9A Engine, ...

200kVA Containerized Diesel Generator Set with Built-in Fuel ...

Jun 18, 2025 · 200kVA Containerized Diesel Generator Set with Built-in Fuel Tank and Weatherproof Design for Outdoor Use, Find Details and Price about Hot Sale Generator ...

500kW Containerized Diesel Generator Set

Apr 22, 2019 · Generator Control Panel
Basler vibration-isolated controller
Manual or remote engine start/stop
RS485/Modbus communication support
Safety shutdowns Externally ...

China Industrial Container Diesel Generator Set Outdoor Containerized

China Industrial Container Diesel Generator Set Outdoor Containerized Genset For Hotel, Find details about China Container Diesel Generator Set from Industrial Container Diesel Generator ...
