

## **SolarTech Power Solutions**

# **Southeast Asian portable energy storage power supply company**

## Overview

---

Will Sembcorp build Southeast Asia's largest energy storage system?

Sembcorp Successfully Commissions Southeast Asia's largest Energy Storage System", December 23, 2022. Based on independent assurance provider DNV's global database of 4,210 ESS projects totalling 32GWh and publicly available information as of January 5, 2023 for a comparable size utility-scale ESS (same or higher rating and same design).

What is Sembcorp energy storage system (ESS)?

Singapore, February 2, 2023 – Sembcorp Industries (Sembcorp) and the Energy Market Authority (EMA) today officially opened the Sembcorp Energy Storage System (ESS). The Sembcorp ESS is Southeast Asia's largest ESS and spans across two hectares of land in the Banyan and Sakra region on Jurong Island.

Who is Tu Energy Storage Technology (Shanghai)?

Safe operation and system performance optimization. TU Energy Storage Technology (Shanghai) Co., Ltd., founded in 2017, is a high-tech enterprise specializing in the research and development, production and sales of energy storage battery management systems (BMS) and photovoltaic inverters.

Are battery energy storage systems revolutionizing energy solutions?

In an article featured on The Business Times, Rodrigo Hernandezvara, Head of Solar C&I at ENGIE highlights how Battery Energy Storage Systems (BESS), combined with renewable energy sources like solar power, are revolutionizing energy solutions for the region.

Will Sembcorp ESS support Singapore's transition to cleaner energy sources?

Mr Ngiam Shih Chun, Chief Executive of the Energy Market Authority, said: "Energy Storage Systems (ESS) such as the Sembcorp ESS will play a significant part in supporting Singapore's transition towards cleaner energy

sources. This large-scale ESS marks the achievement of Singapore's 200MWh energy storage target ahead of time.

How will Bess help Southeast Asia reshape the energy landscape?

By providing flexible, reliable, and scalable power, BESS enables Southeast Asia to overcome traditional infrastructure limitations and embrace a sustainable future. What role will BESS play in reshaping Southeast Asia's energy landscape?

Explore the insights here.

## Southeast Asian portable energy storage power supply company
