

SolarTech Power Solutions

Zambia 20kw off-grid inverter for sale

Overview

Is a solar inverter a good alternative to power holding company of Zambia?

In a country like Zambia where electricity supply is less than adequate and the weather doesn't help matters too, a solar inverter is more than necessary. It is not just a great alternative to the Power Holding Company of Zambia, it is actually a better and cheaper alternative considering the circumstances. Several factors are adduced for this.

What are the different types of solar inverters?

There are three main types of solar inverters that you should know about. Stand-alone Inverters – these ones are used in isolation. Here, the inverter gets its power from batteries which are in turn charged by photovoltaic rays.

What is a solar inverter?

As stated earlier, a solar Inverter consists of a number of solar panels, electrical cable, batteries and the inverter compartment. The panels are often overlaid on the roof of the house for easy access to sun rays.

How do solar inverters work?

Usually, solar inverters are powered by heavy-duty batteries (usually the types used to power trucks), charged by solar energy. But this powering up usually begins from the panels that receive the solar energy from the sun. They now convert and transfer such energy into a form that can be received by batteries.

Is Zambia's Electricity problem worsening over time?

In fact, many believe the situation has worsened over time. Presently, the average Zambian home does not get more than six hours of electricity from the DISCOs on a daily basis. It is this appalling situation that has led many Zambians to seek alternatives to what is supplied by the national grid.

Are victron & sunsynk inverters a good company?

“We purchase all our Victron, Sunsynk inverters paired with the BSL range of batteries from them. The after sales service department is knowledgeable and a good asset in your business. Technical advice, assistance available when needed. Overall this company offers a good service with competitive pricing.

Zambia 20kw off-grid inverter for sale
